Mr. George Andrews of # 21 Albert St.,
reports the loss of a pair of eye glasses
and case belonging to Mrs. Andrews.
At 2 PM 2 young boys about 10 years old
with an express wagon called at the
home and asked Mrs. Andrews if she
cared to buy any Bolkleen for toilets
or a toilet brush. She did not purchase
anything and they went across the
street to a neighbor who did buy a
can of cleaner. About 5 PM Mrs. Andrews
went out on to the porch where she
had been doing some knitting and
her glasses were not there. She left
them there earlier in the afternoon and
did not have any reason for saying
them until about 5 PM. The only
ones that came up onto the porch
were these 2 young boys. Mr. Andrews
thought he would report same and
maybe the Car in Dist #4 might
meet up with the boys and question
them and also learn their names.
